

## SAFETY IMPROVEMENTS ARE MADE AT LACAMAS PARK

DAWN FELDHAUS/POST-RECORD

John Cook, with Action Asphalt, of Brush Prairie, spreads "Sof Fall" wood chip safety surface Wednesday, at Lacamas Lake Park. A ramp has been added for handicapped accessibility. The \$85,000 safety improvement project also included the installation of new playground equipment and benches. For information about purchasing placards to install on the benches in honor of individuals, contact Terry Snyder, with Vancouver-Clark Parks and Recreation, at 487-8317 or [terry.snyder@cityofvancouver.us](mailto:terry.snyder@cityofvancouver.us).
